

# Prairie Plant Catalog

# Welcome To Our Prairie

Beginning in Fall 2024, St. Francis Episcopal Church launched our prairie reclamation project. Working closely with the Missouri Department of Conservation and Quail Forever, this multi-year effort revitalizes a ¼ acre surrounding our Memorial Garden for native flowers, grasses and wildlife that will call this place home.

As a Christian community, God compels us to nurture deep roots in our local community, blessing our neighbors by sharing the gifts God has given us. We hope through our pocket prairie that you will deepen your relationship with our Creator, revel in His life and wonder, and rest in His peace.

Our pocket prairie brings this belief to life, as it allows us to:

1. Emulate St. Francis, the patron saint of creation, by returning a portion of our land to its natural state
2. Offer unique learning opportunities to our local schools, library and childcare centers
3. Provide a reflective place, immersed in nature, for those visiting our Memorial Garden
4. Live into our Gospel call to care for the earth

## HOW TO USE THIS CATALOG

Use this booklet to explore every variety of grass and flower we planted in the prairie. Where applicable, we've also provided a link to the [Missouri Botanical Garden Plant Finder](#) where you can dive in even deeper.

To download a digital copy, scan the QR code below or visit our website at [StFrancisEureka.com](http://StFrancisEureka.com).

# Thank You!

This project was quite the undertaking for our parish. Without knowledgeable and generous people giving us their time and expertise, it would never have been possible. In particular, we want to thank Clarence Heller and Quail Forever for walking with us every step of the way and showing us what needs to be done in order to get our pocket prairie in the ground.

# Project History

## SITE PREPARATION 2024-2025

We cleared the existing turf to create a clean site, allowing our perennial prairie plants the best chance to establish themselves without being stifled by quick growing annual weeds.

## SOW PRAIRIE 2026-2027

We planted a mix of perennial flower and grass seeds. Because perennials grow slower, it can take 2 years for these plants to become established.

## MAINTENANCE 2028 + BEYOND

Once established, maintenance is minimal. The prairie will need to be brush-hogged annually to keep our pocket prairie from being overrun by old growth and shrubs.

## TO LEARN MORE OR GET INVOLVED:

- Join St. Francis for prairie-related events and programming which you can find on our website at [StFrancisEureka.com](https://StFrancisEureka.com).
- Donate to our prairie fund through cash or check delivered to our mailbox marked “prairie fund” or by using our QR code to donate online.
- Visit the creation care ministries of the [Episcopal Church](#) and the [Diocese of Missouri](#).
- Read the book *Lawns into Meadows: Growing a Regenerative Landscape* by Owen Wormser.
- Invite neighbors, friends or other organizations to be part of this work!

### Blue Wild Indigo

*Baptisia australis var. minor*

**Height:** 1.50 to 2.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** May to June

**Sun:** Full sun to part shade

**Water:** Dry to medium

 [Learn more on Plant Finder](#)

### Columbine

*Aquilegia canadensis*

**Height:** 2.00 to 3.00 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** April to May

**Sun:** Full sun to part shade

**Water:** Medium

 [Learn more on Plant Finder](#)

### Fire Pink

*Silene virginica*

**Height:** 1.00 to 1.50 feet

**Spread:** 0.75 to 1.50 feet

**Bloom Time:** April to June

**Sun:** Full sun to part shade

**Water:** Dry to medium

### Foxglove Beardtongue

*Penstemon digitalis*

**Height:** 3.00 to 5.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** April to June

**Sun:** Full sun

**Water:** Dry to medium

 [Learn more on Plant Finder](#)

### Golden Alexanders

*Zizia aurea*

**Height:** 1.50 to 3.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** May to June

**Sun:** Full sun to part shade

**Water:** Medium

### Indian Paintbrush

*Castilleja coccinea*

**Height:** 0.75 to 1.50 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** April to July

**Sun:** Full sun

**Water:** Medium

 [Learn more on Plant Finder](#)

## Purple Beardtongue

*Penstemon cobaea*

**Height:** 1.00 to 2.00 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** May

**Sun:** Full sun

**Water:** Dry to medium

 [Learn more on Plant Finder](#)

## Purple Poppy Mallow

*Callirhoe involucrata*

**Height:** 0.50 to 1.00 feet

**Spread:** 0.50 to 3.00 feet

**Bloom Time:** May to June

**Sun:** Full sun

**Water:** Dry to medium

 [Learn more on Plant Finder](#)

## Robin's Plantain

*Erigeron pulchellus*

**Height:** 1.50 to 2.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** April to June

**Sun:** Full sun

**Water:** Dry to medium

 [Learn more on Plant Finder](#)

### Shining Blue Star

*Amsonia illustris*

**Height:** 2.00 to 3.00 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** May

**Sun:** Full sun to part shade

**Water:** Medium

## Woodland Bergamot

*Monarda bradburiana*

**Height:** 1.00 to 2.00 feet

**Spread:** 1.00 to 2.00 feet

**Bloom Time:** May

**Sun:** Full sun to part shade

**Water:** Dry to medium

[Learn more on Plant Finder](#)

Christian hope is the renewal and restoration of all things. (Matthew 19:28; Acts 3:21) Our participation with God in creating a more just and habitable world and living more gently on Earth is how we share in what Archbishop Desmond Tutu calls the “supreme work” of Jesus Christ, who reconciles us to God, one another, and God's whole creation. The good news of God in Christ is for all creatures and the whole earth.

## Blackeyed Susan

*Rudbeckia hirta*

**Height:** 2.00 to 3.00 feet

**Spread:** 1.00 to 2.00 feet

**Bloom Time:** June to September

**Sun:** Full sun

**Water:** Medium

[Learn more on Plant Finder](#)

## Blue Hearts

*Buchnera americana*

**Height:** 1.00 to 3.00 feet

**Bloom Time:** June to August

**Sun:** Full sun

**Water:** Medium

## Blue Lobelia

*Lobelia siphilitica*

**Height:** 2.00 to 3.00 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** July to September

**Sun:** Full sun to part shade

**Water:** Medium to wet

[Learn more on Plant Finder](#)

## Blue Sage

*Salvia azurea*

## Common Milkweed

*Asclepias syriaca*

**Height:** 2.00 to 3.00 feet

**Spread:** 0.75 to 1.00 feet

**Bloom Time:** June to August

**Sun:** Full sun

**Water:** Dry to medium

[Learn more on Plant Finder](#)

## Compass Plant

*Silphium laciniatum*

**Height:** 5.00 to 9.00 feet

**Spread:** 1.50 to 3.00 feet

**Bloom Time:** July to September

**Sun:** Full sun

**Water:** Medium

[Learn more on Plant Finder](#)

## Downy Skullcap

*Scutellaria incana*

**Height:** 2.00 to 3.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** July to September

**Sun:** Full sun to part shade

**Water:** Dry to medium

[Learn more on Plant Finder](#)

### Elmleaf Goldenrod

*Solidago ulmifolia*

**Height:** 1.00 to 3.00 feet

**Spread:** 1.00 to 3.00 feet

**Bloom Time:** July to October

**Sun:** Full sun to part shade

**Water:** Medium

[Learn more on Plant Finder](#)

### Grayhead Coneflower

*Ratibida pinnata*

**Height:** 3.00 to 5.00 feet

**Spread:** 1.50 to 2.00 feet

**Bloom Time:** June to August

**Sun:** Full sun

**Water:** Medium

[Learn more on Plant Finder](#)

### Hairy Mountain Mint

*Pycnanthemum verticillatum*

**Height:** 1.00 to 3.00 feet

**Spread:** 1.00 to 3.00 feet

**Bloom Time:** July to September

**Sun:** Full sun to part shade

**Water:** Dry to medium

### Indian Tobacco

*Lobelia inflata*

**Height:** 0.50 to 3.00 feet

**Spread:** 1.00 to 1.50 feet

**Bloom Time:** June to October

**Sun:** Full sun to part shade

**Water:** Dry to medium

### Lanceleaf Coreopsis

*Coreopsis lanceolata*

**Height:** 1.00 to 2.00 feet
